

TCA BYLAWS: PREMIER WOMEN'S GRADE COMPETITION CONDITIONS 2025/26

1. THE SPIRIT OF THE GAME

At all times, the traditions and Spirit of Cricket must be respected and maintained.

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws, but also within the Spirit of Cricket. The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and, especially in junior cricket, teachers, coaches, and parents.

Respect is central to the Spirit of Cricket:

- Respect your captain, team-mates, opponents, and the authority of the umpires.
- Play hard and play fair.
- Accept the umpire's decision.
- Create a positive atmosphere by your own conduct and encourage others to do likewise.
- Show self-discipline, even when things go against you.
- Congratulate the opposition on their successes and enjoy those of your own team.
- Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship, and teamwork, which brings together people from different nationalities, cultures, and religions, especially when played within the Spirit of Cricket.

2. THE LAWS OF THE GAME

Except as specifically provided hereafter, the 2017 (2022) Code of the Laws of Cricket, together with the Women's Super Smash Playing Conditions as laid down by NZC will apply.
